

SWIRL

A person with long blonde hair is seen from behind, wearing an orange head-mounted display (HMD) and holding a small green circular object. In the background, a woman with glasses and a blue shirt is smiling and looking at a tablet. The tablet displays a video feed of the person in the foreground, with a colorful, rainbow-like border around the video frame. The overall scene is a collaborative gif-making booth.

© “swirl” is a collaborative gif-making booth for friends (and strangers!)

How it works

👉 *Get some friends*

*or make some new ones.
It's best with 2 or 3
players.*

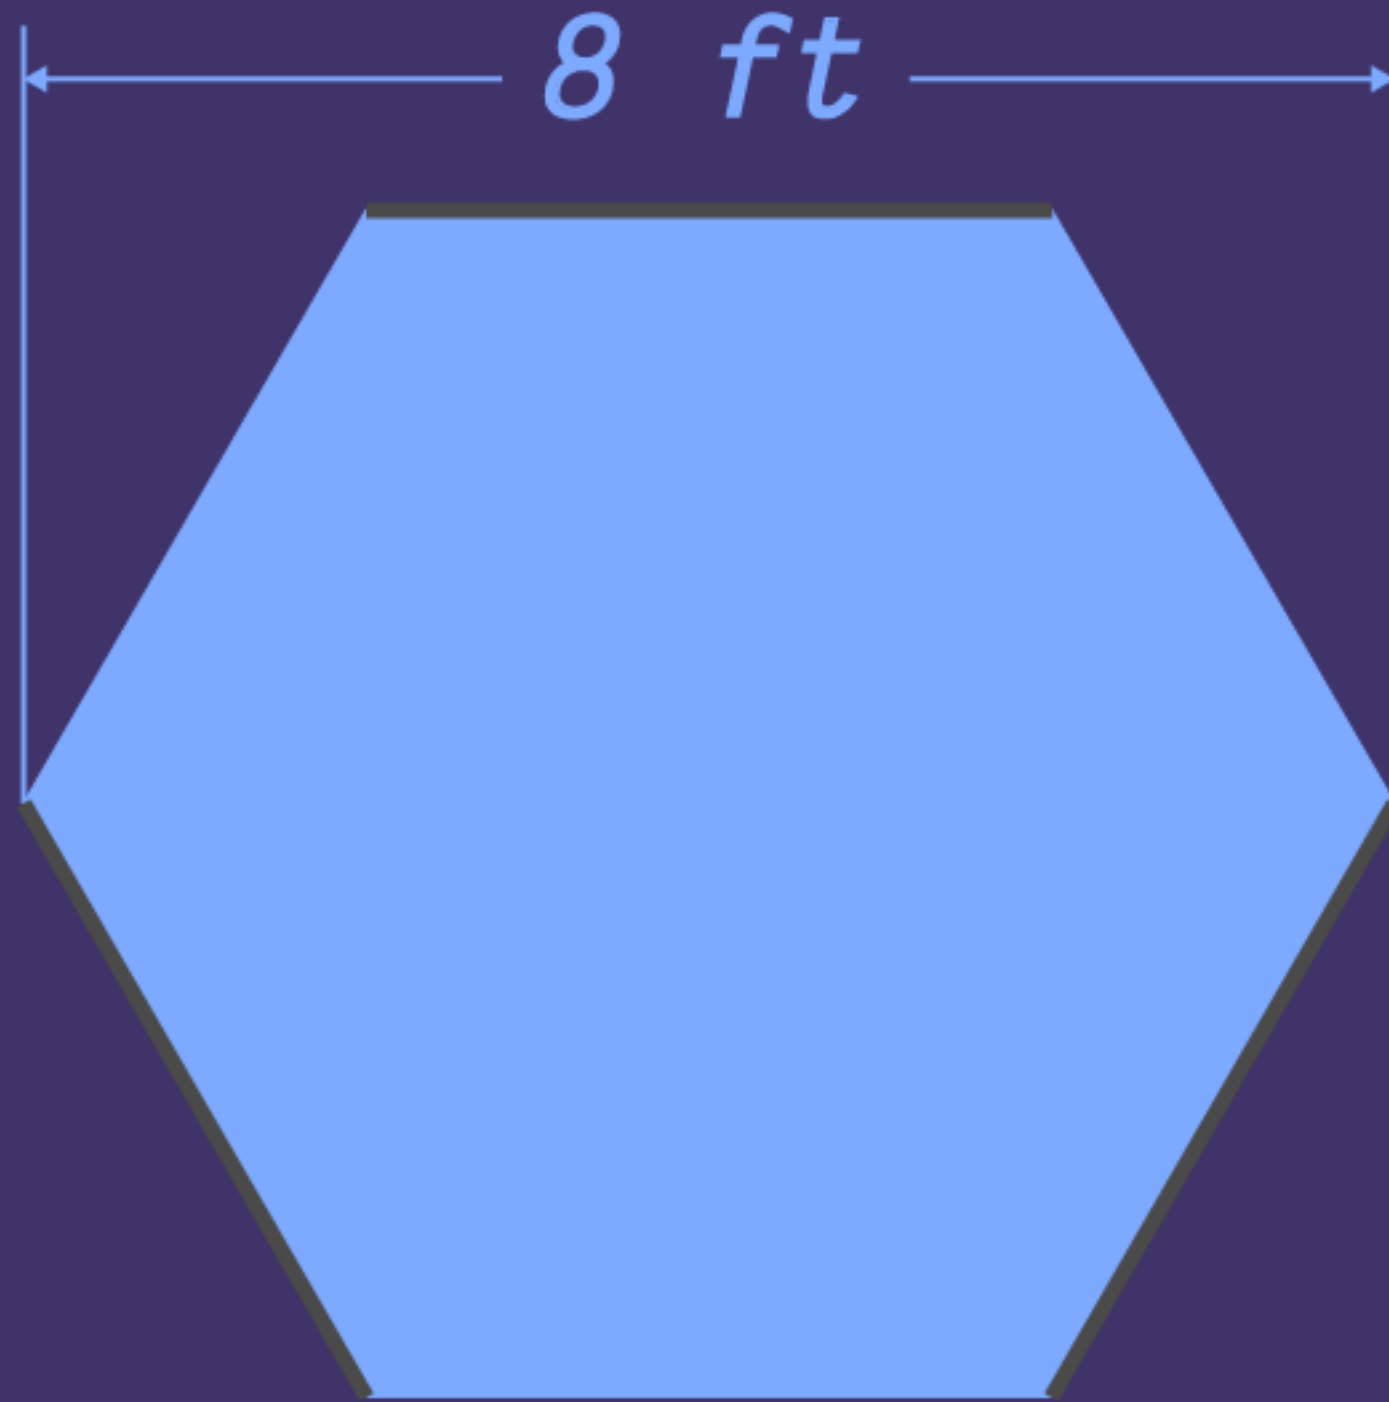

👉 *Make some poses*

*Swirl is like a game: use
the props and take a photo
- the next person sees
your photo and has 5
seconds to respond*

➡📱 *Get your gif*

*Celebrate your group
creation! Your gif is
instantly texted to you
ready to share!*

Space & Power Requirements

overhead footprint

*850 Watts =
1 power outlet*
